How to Use Cheats in GTA 5

Unlike a lot of games, there's no cheat entry screen in GTA 5. To enter a cheat code in GTA 5 on PS4, Xbox One, PS3, or Xbox 360 you simply have to enter the command where you stand. To enter cheats codes for the PC version of GTA 5 you have to do something a little different, but we've got the details below the cheats for the console versions of the game.

How do I enable GTA 5 cheats?

It's super easy to use GTA 5 cheats. You'll just need to remember the code word. If you don't fancy keeping a notepad to hand, just bookmark this page and return whenever you need to remember how to swim faster.

To bring up GTA 5's console, hit the tilde key (~), or whatever key is directly to the left of the 1 at the top of your keyboard. Type in any of the cheat codes below in all caps just as written. Hit enter and you've now become an official GTA 5 cheater. Spawn yourself a motorcycle and flaming ammo rounds if you like! We won't judge.

Can I earn achievements while using GTA 5 cheats?

No. Once you've enabled a GTA 5 cheat, the following conditions will apply:

- Achievements will be disabled
- You won't be able to earn higher than Bronze rating for missions

To be safe, you're advised to manually save before messing around with any GTA 5 cheats active, and to reload once you're done.
